# About Volo Advisory

Volo Advisory Community (VAC) is a focused ecosystem for boardroom leaders. It brings senior professionals together around governance, leadership and opportunity — enabling insights, meaningful connections, professional visibility, leadership forums and relevant opportunities that support responsible decision-making.

Around 3,000 senior executives are associated with Volo Advisory across the Government, Public and Private sectors in India and abroad.

Headquartered in Bengaluru, Volo Advisory has regional presence in Mumbai/Pune, Delhi/Gurgaon, Hyderabad and Chennai — serving members across geographies while understanding diverse business landscapes.

### Who we bring together

1. Independent Directors and Key Managerial Personnel (KMPs).
2. CXOs, entrepreneurs and senior business leaders.
3. Consultants and governance professionals.
4. Aspiring board leaders preparing for their first board role.

### What our network spans

Governance, ESG, compliance, AI, fundraising, digital transformation, risk management and business scaling.

02 · COMPETENCY FRAMEWORK

# What the Volo ecosystem is built around

Seven pillars that turn membership into visibility, influence and opportunity for the boardroom community.

**01** **Board & Advisory Opportunities**
Connecting professionals with startups, SMEs, IPO-bound companies, PE-backed firms and growth enterprises.

**02** **Leadership Forums & Expert Sessions**
Curated interactions with corporate leaders, founders, investors, policymakers and governance experts.

**03** **High-Value Networking & Events**
Focused discussions across governance, ESG, compliance, AI, fundraising, digital transformation, exports, risk and scaling.

**04** **Thought Leadership & Publications**
Governance journals, sector reports, articles, technical publications and knowledge-sharing platforms.

**05** **Executive Branding & Visibility**
Speaker opportunities, curated profiles, interviews, podcasts, articles and leadership storytelling.

**06** **Sector Councils & Professional Communities**
Specialised communities across manufacturing, healthcare, BFSI, technology, infrastructure, startups, family business, education and global trade.

**07** **Global Collaborations & Opportunity Desk**
Strategic alliances, international networking and structured opportunities for advisors, consultants and board professionals.
